

# **SKYLINERS CONTROLINE MODEL AIRPLANE CLUB**

## **Flying Site Rules**

- 1. All members are expected to be courteous, respectful, and friendly to each other or anyone else at the Flying Field or at any Skyliners event. Remember each member acts as an ambassador for the club at all times.**
- 2. Flying Field Gate: The gate will be kept closed and locked unless a member is on the field.**
- 3. Trash: Anyone using our field is expected to remove their own trash. This includes not just normal trash, but airplane parts, broken propellers, and cigarette butts.**
- 4. Pets: Pets are not allowed in the Flying Area or Pits. If on club property, they must be well controlled, on a leash, and are the responsibility of the member.**
- 5. Mufflers: The use of mufflers is encouraged.**
- 6. Flying Hours: No engine shall be run at the flying field before 9 am.**
- 7. Use of Flying Field: Everyone that flies at our field must be an AMA member and either a Club member or guest of a club member and follow all AMA Safety Guidelines. Visitors are always welcome; however, if you intend to fly with us on a regular basis, you must become a member of the club.**

**RADIO CONTROLLED MODELS ARE NOT  
ALLOWED ON THIS PROPERTY**
